Dear Prospective Danceline Instructor:

Thank you for your interest in Danceline. We are very proud of our company and are currently seeking positive well-qualified professionals to add to our Danceline staff and family.

To audition for Danceline Staff, we require a video audition along with the required application information. This information will be distributed to all applicants that respond to this letter with the enclosed required information and processing fee of \$25. **We ask that you respond by February 13<sup>th</sup>**. The packets will go out in February of 2010.

Although having the gift for dance instruction, choreography and leadership skills are all necessary requirements to be a part of the Danceline Staff, our most important priority is that our staff members are Christians. We were founded as a Christian based company in 1978 and continue to strive for that level of excellence today. Because of our company's strong foundation, it is extremely necessary that all of our staff have a common faith in Christ in order for our company to meet the challenges put before us. Please consider this seriously before you apply. Your faith should be apparent in the manner in which you conduct yourself at all times.

*We currently have three levels of instructors in our company:*

**Level I**—*instructors*--first or second year instructors who are current college students, have college dance team experience, or are on a college dance team or majoring in dance related fields.

**Level II**—*veteran instructors*--second to fourth year instructors who are current college students on a college dance team or majoring in dance related fields.

**Level III**—*administrative staff and staff captains*—staff who have a bachelor's or graduate degree and/or over four years instructor experience and/or current dance/drill team directors or choreographers.

Pay is based on instructor level and amount of instruction days. All instructors will be asked to sign a contract for summer season.

Danceline is a full service dance camp company offering the most current curriculum in officer leadership training, team-building activities and of course, great dance choreography taught by our professional instructors. **All of our officer and line camps are held at beautiful hotel and resort locations.**

If you are selected to join the Danceline staff a mandatory staff training is held Fri-Sunday on weekend in May. Additionally all new staff are required to purchase a Danceline bag and summer attire. The approximate cost is \$140.

We appreciate your interest this year and wish you the very best!

Jennifer Boyd, Executive Director  
Kristy Platt, Assistant Director
