

# 2010-2011 Preliminary Danceline Staff Application & Procedure Information

## DANCELINE STAFF

The Danceline Staff are talented Christian dancers showing their love of dance and choreography. Although having the gift for dance instruction, choreography and leadership skills are all necessary requirements to be on the staff, our most important priority is that all of our staff members are Christians. We were founded as a Christian based company in 1978 and continue to strive for that level of excellence today. Because of our company's strong foundation, it is extremely necessary that all of our staff have a common faith in Christ in order for our company to meet the challenges put before us. Please consider this aspect seriously before you apply to be a staff member. Your faith should be apparent in the manner in which you conduct yourself at all times. To this end, instructors must be at a level in their walk with God to easily and naturally share and minister to the dancers we instruct.

## WE CURRENTLY HAVE THREE LEVELS OF INSTRUCTORS IN OUR COMPANY:

**LEVEL I**—instructors—first or second year instructors who are current college students, have college dance team experience, on a college dance team or majoring in dance related fields.

**LEVEL II**—veteran instructors—second to fourth year instructors who are current college students on a college dance team or majoring in dance related fields.

**LEVEL III**—administrative staff—staff who have a bachelor's or graduate degree and/or over four years instructor experience and/or current dance/drill team directors or choreographers.

**PROFESSIONAL STAFF**—staff who have criteria meeting all of the above levels and have been in the counseling, education and/or dance field as teachers, counselors, etc for five years or more.

*Pay is based on instructor level and amount of instruction days.  
All instructors will be asked to sign a contract for summer season.*

**SUMMER INSTRUCTOR STAFF**—Our Danceline instructors are typically made up of dancers from age 18 to 50 and beyond! These individuals have the most demanding summer schedules of all of our staff members. They are expected to work from 4-11 weeks of the summer. Typically our camp week ranges from 3 to 5 days long. They are expected to teach one to two routines per day, may assist or lead in various seminars, team activities or devotionals, serve as judges at hotel camps, conduct sales for promotional items, help in organized camp details and materials and more.

## AUDITION INFORMATION

The official 2011 staff applications will be mailed out once the preliminary applications have been received. In order to receive the official 2011 Danceline Staff Application, it is very important that you return the information sheet located on the back of this form along with the \$25 application fee.
