DRESSING ROOMS

You will each be provided a classroom, relatively close to the competition gym. Your team will be assigned 1 classroom per 15-20 dancers on your team. These are teacher's classrooms. Please supervise your teams while they are in the dressing rooms and please make sure to leave the rooms in the same condition you found them. Please ask your dancers not to use the teacher's personal items or go through their desks. We will do our very best to make sure spectators are not back in the area of these rooms. But know, it is not a 100% secure area. Due to security protocol by the Mansfield ISD, our doors cannot be permanently unlocked. We will place tape over the locks to keep them unlocked however, if you do get locked out of your dressing area, please find one of the Eagle Elite and we will get your room opened immediately. Please do not have food in the dressing rooms. Our classrooms have carpet and we do not want to have that ruined by accidental spills.

AWARDS

We ask that your dressing rooms are cleared out and packed up by the time awards begin to allow us time to clean up during awards.

PROP ENTRANCE/STORAGE

Props should be unloaded at entry door 11 beside the PE gym and our JV gym. Props must NOT cause any damage to the gym floors, nor leave any kind of residue or marks. Do NOT drag any prop(s) on the floor.

BUS/TEAM ENTRANCE

Buses, please drop off your dancers at the front of the school, in the circle drive. After you have unloaded the bus, the bus may park in the general parking lot on the other side of the gym. Spectators will park in the Lake Ridge Gymnasium parking lot, on the left side of the building.
